NEW ROAD 5 TRAIL TYRES

ROAD 5 TYRES

- Using the latest generation of compounds and siped tread, the Road 5 tyres offer you the best wet grip versus its main competitors without compromise on dry roads
- Even when 50% worn, a Road 5 tyre stops as quickly as a brand new Pilot Road 4 tyre thanks to the evolutionary XST Evo sipes
- Improved dry grip and stability and the best handling versus its main competitors, thanks to MICHELINs patented ACT+ casing technology, it offers even more riding pleasure
