SMART

- Smart is a universal fit for most Large Cruisers, Standards, Sports Touring, Adventure Touring and Harleys
- Special features include a wide front to back cut out to reduce contact with the scrotum, prostate and tail bone
- Tapered front and back air cells provide optimal fit for elevated front and back seat contours and also improve leg passage
- Dimensions: 39,5 cm (15,5") width x 36 cm (14") length x 5 cm (2") height
- CLASSIC: neoprene rubber; AIRGEL: polyurethane + gel; LITE: polyurethane
- Anti slip surface to maintain the pad
- Straps included

SPORT

- Sport was designed with a 15 cm (6") front to match the narrow seat profile of most Dual Sport, Adventure Touring, Sport Touring and Non-Touring Harleys
- Special features include a narrow front with tapered cells to reduce contact with the scrotum and provide easy leg passage
- Back cut out area reduces contact with tail bone
- Dimensions: 31 cm (12,5") width x 31 cm (12,5") length x 5 cm (2") height
- CLASSIC: neoprene rubber; AIRGEL: polyurethane + gel; LITE: polyurethane
- Anti slip surface to maintain the pad
- Straps included
