MERIDIAN

- With its innovative new tread pattern, all new compounds and Multi-Tread (MT) technology the all-new Trailmax Meridian is a class-leading performer, on road and trails. Testing shows a substantial increase in mileage and handling in wet and dry conditions compared to its competitors. The Trailmax Meridian makes the perfect partner for bikes with a sense of adventure
- Exemplary Handling. Innovative 'Ice-Ax' tread pattern gives sure-footed handling in all conditions
- Fast Warm-UP. Rayon ply casing minimises warm-up time and makes the tyres go further
- Improved Wet Grip. State of the art compounds and resin blends provide improved grip in wet conditions
- More Miles. Multi-Tread (MT) technology increases corner grip and much improved mileage (when compared to the TrailSmart MAX)
