5 SERIES OF SENNA

5S MOTORCYCLE BLUETOOTH COMMUNICATION SYSTEM

- Born from the legendary Sena SMH5, the Sena 5S is the next-generation of feature-rich and value-packed intercoms from Sena
- Easy to use and accessible unit, you get High Definition in-helmet speakers, High Definition two-way intercom, and integrated LCD screen; all the features you need at an amazing value
- The 5S with Bluetooth® 5 keeps you connected to your riding companion or passenger with HD Sound quality, music sharing, and audio equalizer profiles built right in
- The Jog Dial makes for an intuitive user interface that is much easier to control while riding, which means you'll ride safer
- With even more features packed in, it also lets you answer phone calls hands-free, listen to FM Radio, and hear your GPS prompts. The 5S features a Helmet Clamp Kit and Boom Microphone
- The newly redesigned in-helmet speakers are optimized for both physical comfort and impressive audio performance
- These particular speakers have been designed with a beveled taper and easily fit in the speaker pockets of a helmet
