1" HANDLEBAR

- Magnum 1" handlebars are available in Bagger or Ape Hanger styles with 10", 12", and 14" height options and feature a high luster chrome or gloss black finish
- Handlebars are manufactured with quality construction, including laser cut, burr free holes, and slots for internal or external wiring
- 3½" on center knurling, and notched for throttle-by-wire applications
- All handlebars are CNC bent for an accurate fit and incorporate comfortable, but aggressive looking wrist angles
- Bagger bars are designed for correct clearance on Batwing models
- Sold as each

NOTE: Models originally equipped with handlebars having a center section diameter larger than 1" will require changing the risers to a 1" ID version

XR HANDLEBAR INSTALLATION KIT

- Magnum XR Handlebar Installation Kits offer a great fit and excellent quality at an economical price
- XR Handlebar Installation Kits are available for popular ABS and non-ABS Harley-Davidson® motorcycles with 12" to 17" ape hanger style handlebars
- Two color combinations to complement your bike: OE style black vinyl or clear coated stainless steel that both feature highly polished, chrome plated fittings
- All cables are a low effort, high efficiency design that meets or exceeds all OE specifications for fitment, construction, endurance
- Magnum XR Brake Lines use an enhanced construction of heavy gauge stainless steel embedded in tough abrasion resistant nylon outer jacket for superior durability and extreme braking response for safe riding
- The coating on cables and brake lines offers exceptional protection for paint or chrome
- Kits that include manifolds use an all brazed construction to ensure optimal OE fitment and appearance
- Manifolds use -3 AN connections for an easy installation
- Kits include throttle and idle cables or throttle-by-wire extensions, clutch cable or XR hydraulic clutch line, XR brake lines, copper crush washers, hardware, turn signal and switch wiring extensions
- Brake lines exceed all DOT FMVSS-106 requirements
- Kits are based on using ape hanger style handlebars and 2" risers
