## WINDSCREENS CAPONORD

- Windscreen made using high quality PMMA plexiglass, 4 mm thick
- Thanks to this windscreen the annoying turbulence on the helmet will be eliminated, as well as the air on the shoulders and you will finally be protected even for longer journeys
- Even the passenger, thanks to the greater protection offered, will enjoy the journey in maximum comfort
- The design, studied in detail, fits perfectly with the line of the bike, giving it an even more appealing look
