NEW AIRFORM ESTHÉTIQUE™ HELMET

ICON MOTOSPORTS

Donatella must've been in our ear on this one because the Airform™ Esthétique looks like it stepped off the Milan Fashion Week catwalk and onto your head. Once it's on there, let yourself be engulfed in equal parts comfort and gilded splendor. The Hydradry™ moisture-wicking interior keeps your head dry on those haute riding days. Is your future bright? Then hit the switch and deploy the dark smoke DropShield™. We've added cut-outs in the EPS for your Bluetooth® speakers because every ride needs a soundtrack. Last but not least, we've added an RST GoldPro spoiler because gold is glamour.
